

For Your Safety

We have had several **tourists' accidents** which involved **deaths, serious injuries and missings** in Mt. *Misen* (*Miyajima*).
It's not a high mountain (535M above the sea).
However, there are many **slippery brittle rocks, disorientating primeval forests**.

~ For your safety and enjoyable climbing,
please keep below in mind ~

1 There are **three official mountain trails** in Mt. *Misen*.

- ① *Momijidani* Course ~ Approx. 1.5hr walk
- ② *Daisho-in* Course ~ Approx. 1.5~2hr walk
- ③ *Omoto* Course ~ Approx. 2hr walk

Do not take other trails.

2 No illuminations in night time. **Climb down until sunset.**

3 You need **equipments for mountain.**

- Do not wear sandals but **shoes**.
- Carry **mobile phone, water, foods, and raingear** with you.

4 Please **cancel**, when the weather and/or your condition is not well.

5 Do not hesitate to use **Emergency Call** for your life.
