

80th Year since the Atomic Bombing and the End of the War

# Beyond Nuclear Deterrence

**-Toward a Global Security System that does not rely on Nuclear Deterrence-**

In pursuit of a peaceful world without nuclear weapons, Hiroshima Prefecture and the Hiroshima Organization for Global Peace (HOPE) have been working to establish a security system that does not rely on nuclear deterrence.

How can we create a world that does not rely on nuclear deterrence?

We will hear explanations from experts who are actively involved in this field.
