1 Overview of Online Lecture

1 What is Online Lecture?

Online Lecture refers to the driver's license renewal lecture that can be taken whenever convenient from locations such as home, using a smartphone or PC, instead of attending one at the Driver's License Center or police station, etc.

Eligible attendees are those whose classification of lecture on the driver's license renewal notice (renewal notice postcard) is "**A driver with an exemplary record**" or "**A driver with a satisfactory record.**"

Important

Taking the Online Lecture alone does not mean you have completed the renewal of your driver's license, etc.

Other renewal procedures (self-check test, photographing, etc.) for the driver's license, etc. must be completed at the Driver's License Center, etc., the same way as before.

The flow for renewing a driver's license, etc. using the Online Lecture is as follows.

Arrival of the driver's license renewal notice
(renewal notice postcard)

**Previous license renewal
flow (example)**

**Driver's license, etc. renewal
flow using the Online
Lecture (example)**

Reference

Linking Myna driver's license to Mynaportal is required only for the first renewal and is not required for the subsequent license renewals. For more information, please see the ["Manual for using driver's license-related services through Mynaportal"](#). The manual is only available in Japanese.

2 Flow of the Online Lecture

To take the Online Lecture, you must link your Myna driver's license to Mynaportal.

Please read "[Manual for using driver's license-related services through Mynaportal](#)" for operations on linking your license to Mynaportal. The manual is only available in Japanese.

Once the linkage between Mynaportal and Myna driver's license is completed, you can take the Online Lecture during the renewal period of the driver's license, etc.

This manual describes the operations in the area circled in red.

Flow of Taking the Online Lecture

The above flow is an example for a driver with a satisfactory record. For more information, see "Online Lecture Procedures" on p.9.

3 What You Need for the Online Lecture

To take the Online Lecture, you must prepare the following.

Smartphone or PC

● If using iOS

OS	iOS 15.0 or higher
Browser	Safari latest version Chrome latest version

● If using Android

OS	Android 11.0 or higher
Browser	Chrome latest version

● If using Windows

OS	Microsoft Windows 11 Microsoft Windows 10
Browser	Microsoft Chromium version Edge latest version Chrome latest version Firefox latest version

● If using Mac

OS	MacOS Sonoma (version 14.0 or higher) MacOS Ventura (version 13.0 or higher) MacOS Monterey (version 12.0 or higher)
Browser	Safari latest version Chrome latest version Firefox latest version

Webcam

If your smartphone or PC has a built-in camera, please use the built-in camera.

If your smartphone or PC does not have a built-in camera, you will need an externally connected webcam.

IC card reader

For PCs, please prepare an IC card reader compatible with your Individual Number Card.

Internet environment

Wi-Fi is recommended

Individual Number Card

Individual Number Card with driver's license information recorded
(Myna driver's license)

Check the driver's license renewal notice (renewal notice postcard)

Check the classification of lecture on the driver's license renewal notice
(renewal notice postcard).

Reference

You can check if your terminal or device is compatible with your Individual Number Card on Mynaportal.

Please check on the following websites.

- List of models compatible with Individual Number Card
https://faq.myna.go.jp/faq/show/2587?category_id=10&site_domain=default
- IC card reader compatible with Individual Number Card

<https://img.myna.go.jp/html/dousakankyou.html>

4 Notes on Taking the Online Lecture

- ▶ To confirm attendance, the system automatically takes a picture of the attendee's face during the lecture, and the system checks the identity of the attendee against the ID photo on the currently registered driver's license, etc. and checks that the attendee is not holding up a photo, etc., in front of the camera.
Only in cases where the system fails to confirm the attendee's face, their facial image will be saved in the system, and the staff will confirm their attendance at the Driver's License Center, etc. when they are going through the procedures. Once the renewal procedures are complete, the facial image data will be deleted. Those who do not agree to be photographed or to have their facial images stored cannot take the lecture.
- ▶ Video playback will stop if the attendee's face is not within the picture-in-picture frame on the screen.
- ▶ If there is any violation, such as the Online Lecture being taken by someone other than the attendee, the attendee will not be considered to have taken the Online Lecture. These violations may also be punishable by law.
- ▶ If the attendance in the Online Lecture cannot be confirmed, the attendee may be required to attend the in-person lecture separately.
- ▶ Personal information collected through this system, such as the name of the attendee, will be managed in accordance with the laws and regulations concerning the protection of personal information. Please note that we do not collect or store individual numbers.
- ▶ If you are unable to take the Online Lecture due to system failure or other reasons, please take the in-person lecture at the Driver's License Center, etc.
- ▶ When taking the Online Lecture, it is recommended to use a Wi-Fi environment. Please note that data traffic increases when watching the videos. Data communication costs are to be borne by the attendee.
- ▶ It may take some time before the results of the lecture are reflected in the system.

2 Take the Online Lecture

1 Online Lecture Procedures

For operating method of each step, please see the page displayed by clicking "Browse."

Important

Taking the Online Lecture alone does not mean you have completed the renewal of your driver's license, etc.

Other renewal procedures (self-check test, photographing, etc.) for the driver's license, etc. must be completed at the Driver's License Center, etc., the same way as before.

2 Start Taking the Lecture

1. On Mynportal, click "Driver's License."

The "Driver's License" screen will be displayed.

2. Go to "Procedures" at the bottom of the Driver's License screen, and then click on "Take the Online Lecture."

The screenshot shows the Mynaportal Driver's License interface. At the top, it says "マイナポータル 運転免許" (Mynaportal Driver's License) with a notification bell icon. Below this is a user profile icon and the title "運転免許" (Driver's License). A warning box indicates that the license information record's validity period is approaching, with a deadline of March 1, 2024. A blue button labeled "オンライン講習について確認する" (Check about the Online Lecture) is present. Below a wavy line, the "手続き" (Procedures) section is shown, containing three items: "オンライン講習の受講" (Take the Online Lecture), "本籍のオンライン変更の申請" (Apply to change permanent domicile online), and "基本情報の自動変更" (Automatically change basic information). A red box highlights the "Take the Online Lecture" option, with a green callout box containing the number "1" and the text "Click here". At the bottom, there is a link for "連携解除" (Unlink).

3. After confirming the operating method, click "Next."

The "Language selection for lecture video" screen will be displayed.

While viewing the lecture video, facial detection, facial verification, and biometric determination are randomly performed.

Important

While viewing the lecture video, the system detects whether the attendee's face is in the picture-in-picture frame (facial detection), matches the attendee's ID photo on the currently registered driver's license, etc. (facial verification), and determines whether the attendee is holding a photo, etc. in front of the camera (biometric determination).

Make sure your face is always facing the screen while viewing. If a face cannot be recognized within the picture-in-picture frame due to the attendee leaving the seat during the lecture, video playback will stop and an error screen will be displayed.

4. Select the language of the lecture video and click "Next."

To change the language displayed below, click ▼.

- Languages in video content
- Language of the questions and explanation in the Confirmation Test
- Language of the questions in the Self-check Test for Safe Driving

Choose from up to 21 languages, including Japanese, and sign language.

1
Click here after selecting the language for the lecture video

Reference

Since the language supported by each lecture video is different, you may be asked to select the language again during the lecture.

When you take the lecture for the first time, the "Confirmation of Photographing Face Image" screen will be displayed. For the second and subsequent lectures, the "Viewing the lecture video" screen will be displayed. Go to Step 6. (page 43).

5. Adjust the camera angle so that your face appears within the frame, and click "Start to taking the lecture."

By adjusting camera angle so that your face is displayed within the frame, start to take the lecture.

By placing your face within the camera frame, press "Start to take the lecture" button.

Start to taking the lecture

Back

Adjust the camera so that the face appears in the center of the frame.

1

Click here

Facial detection begins.

If the facial detection is successful, the "Viewing the lecture video" screen will be displayed.

Reference

If facial detection is unsuccessful, an error message as seen in ① will be displayed.

Adjust the camera and click the ② "Start to taking the lecture" button again.

When facial detection is performed, ③ "OK" is displayed and you will be redirected to the "Viewing the lecture video" screen.

6. Click the play button ▶ to view the lecture video.

The screenshot shows a web interface for an online lecture. At the top, the text "Online Lecture" is displayed in blue. Below it, a dark blue header contains the text "Viewing the lecture video". A progress bar is visible with a green dot at the beginning and the text "1/4". In the center, there is a video player area with a large play button icon. Below the video player, a "Skip" button is highlighted with a rounded rectangle. At the bottom, there are two links: "> Operating manual" and "> Frequently Asked Questions (FAQ)", each with a document icon. The footer contains the text "Corporate Number: 8000012130001", "Online Lecture", and "Copyright © National Police Agency. All Rights Reserved.".

If you do not know how to operate it, check "Operation method" from this menu.

1

Click here

Skip

This button will be displayed on the second and subsequent viewings. You will be redirected to the "Viewing Lecture Video Completed" screen.

Reference

The items displayed at the bottom of the lecture video during playback are as follows.

Icons that cannot be operated are displayed in gray.

- 1 The playback starting point of the video being viewed is indicated by a red bar. It cannot be operated on the first viewing. When reviewing the video, the playback starting point can be changed by moving the bar left or right.
- 2 ▶ (Play) or || (Pause).
- 3 The time passed/total time of the video currently being viewed is displayed.
- 4 You can rewind or fast forward 15 seconds at a time.
- 5 After rewinding the playback starting point for 15 seconds, you can forward up to the point you already viewed in the video. This operation is available only for the first viewing.
- 6 You can go back to the previous video or move on to the next video.
- 7 [] (Full-screen display) or ≡ (Normal display, with full-screen display disabled).

Important

You can change the playback starting point and move forward 15 seconds, only up to the position you have already viewed. You can move to the next video only from videos you have already viewed. You cannot skip videos you have not viewed yet.

Reference

The viewing screen during playback on a PC is shown below. The icons displayed at the bottom of the screen are equivalent to the smartphone screen in the previous page.

Viewing screen (Initial display)

Click the  button in the upper right corner of the picture-in-picture camera to show/hide the picture-in-picture camera.

Viewing screen (Full-screen)

The viewing screen when the smartphone is placed horizontally is shown below.

Reference

If the following error screen is displayed while viewing the lecture video, please click ①  on the screen, read ② the explanation and make adjustments.

③ Click "Restart" to return to the screen for viewing the lecture video.

In the following cases, it may be difficult for the camera to recognize the face.

- In the case where the lighting is dark or backlit
- In the case where light is reflected by the lenses of glasses
- In the case where the face is not facing the camera
- In the case where the photographing angle of the camera is upward or downward
- In the case where the outline of your face is hidden by hair

4 Answer the Confirmation Test

At the end of each chapter of the video, the Confirmation Test will be displayed.

If you wish to check the video again, you can also review it.

1. Click the option you think is correct and click "Answer."

The screenshot shows a mobile application interface for an "Online Lecture" Confirmation Test. At the top, there's a progress bar indicating 2/4 questions. The question text reads: "Even if you use a mobile phone or smartphone while driving, it is not a violation if you do not cause an accident." Below the question are two radio button options: "O Right" and "X Wrong". The "X Wrong" option is selected. Below the options are four buttons: "Answer" (dark blue), "Review" (white with blue border), and "Next" (greyed out). Three callout boxes provide instructions: Callout 1 points to the radio buttons with the text "Select from the options and click". Callout 2 points to the "Answer" button with the text "Click here". Callout 3 points to the "Review" button with the text "You can view the video again."

Answers and explanations for the Confirmation Test will be displayed.

2. Confirm the explanation and click "Next."

Online Lecture ☰

Confirmation Test

2/4

Question

Even if you use a mobile phone or smartphone while driving, it is not a violation if you do not cause an accident.

Right

Wrong

Correct
Explanation
In response to the frequent occurrence of traffic accidents while using mobile phones, etc., penalties for "violation of mobile phone use, etc. (retention)" were strengthened in December 2019 (the first year of Reiwa).

1
Click here

The next lecture video will be displayed. After completing all of the viewing of the lecture videos and the Confirmation Tests, the "Take the Self-check Test for Safe Driving" screen will be displayed.

5 Take the Self-check Test for Safe Driving

After completing all of the viewing of the lecture videos and the Confirmation Tests, the "Take the Self-check Test for Safe Driving" screen will be displayed.

Reference

If you are a driver with an exemplary record, you can skip the Self-check Test for Safe Driving. You can skip even if you are in the middle of the Self-check Test for Safe Driving.

When a driver with an exemplary record skips the Self-check Test for Safe Driving, they will be redirected to the screen to start viewing the videos for driver education/public relations.

This section describes the procedures for taking the Self-check Test for Safe Driving without skipping.

Important

If the classification of lecture is "A driver with a satisfactory record," facial detection and facial verification will be performed while answering the Self-check Test for Safe Driving. Facial detection and facial verification will not be performed if they are exercise questions or when the classification of lecture is "A driver with an exemplary record."

1. Click "Take the Self-check Test for Safe Driving."

If the language is reselected halfway through the video, a screen will be displayed to select the language to be used in the Self-check Test for Safe Driving.

Reference

If the language selection screen is displayed again during the lecture, the Self-check Test for Safe Driving Language Selection screen will be displayed here as well.

Select the language and click "Next."

Click here

It will only be displayed to drivers with exemplary record. You will be redirected to the screen to start viewing the videos for driver education/public relations. Go to Step **1**. (p.63).

A screen with the video for explanation of the Self-check Test for Safe Driving will be displayed.

8. Adjust the camera angle so that your face appears within the frame, and click "Start to taking the lecture."

If the classification of lecture is "A driver with a satisfactory record," facial detection and facial verification will be performed while answering the Self-check Test for Safe Driving.

Facial detection begins.

If the facial detection is successful, the "Self-check Test for Safe Driving" screen will be displayed.

9. Click the play button ► to view the video for explanation of the Self-check Test for Safe Driving.

After you finish viewing the video for explanation, the completion screen for the Self-check Test for Safe Driving will be displayed.

Important

If the classification of lecture is "A driver with a satisfactory record," while viewing the video for explanation, the system detects whether the attendee's face is in the picture-in-picture frame (facial detection), and whether the image matches the attendee's ID photo on the currently registered driver's license, etc. (facial verification). Make sure your face is always facing the screen while viewing. If a face cannot be recognized within the picture-in-picture frame due to the attendee leaving the seat during the lecture, video playback will stop and an error screen will be displayed.

Reference

The items displayed at the bottom of the video for explanation during playback are as follows.

Icons that cannot be operated are displayed in gray.

- 1 The playback starting point of the video being viewed is indicated by a red bar. The playback starting point can be changed by moving the bar left or right. For drivers with satisfactory record, the bar cannot be operated on the first viewing.
- 2 ▶ (Play) or || (Pause).
- 3 The time passed/total time of the video currently being viewed is displayed.
- 4 You can rewind or fast forward 15 seconds at a time.
- 5 After rewinding the playback starting point for 15 seconds, you can forward up to the point you already viewed in the video. This operation is available only for the first viewing.
- 6 You can go back to the previous video or move on to the next video.
- 7 [] (Full-screen display) or ≡ (Normal display, with full-screen display disabled).

Important

If you are a driver with a satisfactory record, you can change the playback starting point and move forward 15 seconds only up to the position you have already viewed. You can only move to the next video from videos you have already viewed. You cannot skip videos you have not viewed yet.

Reference

The viewing screen during playback on a PC is the same as the viewing screen of the lecture video.

Reference

If the following error screen is displayed while viewing the video for explanation, please click ① ▾ on the screen, read ② the explanation and make adjustments.

③ Click "Restart" to return to the screen for viewing the lecture video.

In the following cases, it may be difficult for the camera to recognize the face.

- In the case where the lighting is dark or backlit
- In the case where light is reflected by the lenses of glasses
- In the case where the face is not facing the camera
- In the case where the photographing angle of the camera is upward or downward
- In the case where the outline of your face is hidden by hair

10. Click "Next."

The completion screen for the Self-check Test for Safe Driving will be displayed.

6 View Videos for Driver Education / Public Relations (Optional)

View videos for driver education/public relations.

If you skip the viewing, you will be redirected to the screen to proceed to answering the questionnaire or to the "Lecture completed" screen.

1. Click "View."

The screenshot shows a mobile application interface. At the top, it says "Online Lecture" with a menu icon. Below that is a dark blue header with the text "Self-Check Test for Safe Driving". The main content area contains a text box with the following message: "Thank you for taking the Self-Check Test for Safe Driving. The Self-Check Test for Safe Driving is completed. This is the end of online renewal lecture. Next, you may optionally view the video for driving education/public relations. If you desire to view the video for driving education/public relations, press down 'View' button. If you do not, press down 'Skip' and go to next. Finally, the screen for completion of taking the lecture will be displayed." Below the text are two buttons: a blue "View" button and a white "Skip" button. A green callout box with a "1" in a circle points to the "View" button with the text "Click here". Another green callout box points to the "Skip" button with the text "If you do not want to view the video, you can skip it."

The "Viewing Driving Education/Public Relations" screen will be displayed.

2. Click the play button ► to start viewing.

When viewing is complete, a screen for proceeding to answering the questionnaire or the "Lecture completed" screen will be displayed.

Reference

The items displayed at the bottom of the videos for driver education/public relations during playback are as follows. Icons that cannot be operated are displayed in gray.

- 1 The playback starting point of the video being viewed is indicated by a red bar. The playback starting point can be changed by moving the bar left or right.
- 2 ▶ (Play) or || (Pause).
- 3 The time passed/total time of the video currently being viewed is displayed.
- 4 You can rewind or fast forward 15 seconds at a time.
- 5 You can go back to the previous video or move on to the next video.
- 6 [] (Full-screen display) or ≡ (Normal display, with full-screen display disabled).

3. Click "Next."

The "Questionnaire" screen will be displayed. If there is no questionnaire, the "Lecture completed" screen will be displayed.

7 Answer the Questionnaire (Optional)

The questionnaire explanation and answer screen will be displayed. Since the questionnaire is optional, you can skip the questionnaire by clicking the "Skip" button.

1. Answer the questionnaire and click "Confirm the contents of entry."

The screenshot shows a mobile application interface for an "Online Lecture" questionnaire. The title bar at the top says "Online Lecture" with a hamburger menu icon on the right. Below the title bar is a dark blue header with the word "Questionnaire" in white. The main content area has a light gray background and contains the following text: "As we would like to refer to your answer of the questionnaire for the future, cooperate in answering the questionnaire." Below this text is a section titled "Questions1" with a blue "Optional" button to its right. The question is "Was online lecture more convenient compared to face-to-face lecture?". There are four radio button options: "Convenient." (selected), "Somewhat convenient.", "Somewhat inconvenient.", and "Inconvenient.". A green callout box with the number "1" points to the selected option, containing the text "Confirm the content and make your selection". Below the question area is a dark blue button with the text "Confirm the contents of entry" and a light gray button with the text "Skip". A second green callout box with the number "2" points to the "Confirm the contents of entry" button, containing the text "If you are satisfied with your entry, click here".

The questionnaire registration screen will be displayed.

2. Check the questionnaire content and register.

The screenshot shows a mobile application interface for an 'Online Lecture' questionnaire. At the top, there is a header 'Online Lecture' with a hamburger menu icon. Below it is a dark blue bar with the title 'Questionnaire'. The main content area contains the instruction 'Confirm the contents of the questionnaire.' followed by two question blocks. The first block, 'Questions1', contains the question 'Was online lecture more convenient compared to face-to-face lecture?' and the answer 'Convenient.'. The second block, 'Questions2', contains the question 'Was it easy to take Driver's Aptitude Test?' and the answer 'Easy.'. Below the questions are two call-to-action buttons: a dark blue button with white text 'Answer the questions with the following contents' and a white button with blue text 'Modify the contents of the answers'. At the bottom is a grey 'Skip' button. On the right side, there are two green callout boxes. The first box, labeled with a '1' in a green circle, points to the blue button and contains the text 'Click here'. The second box points to the white button and contains the text 'You can go back to the previous screen and re-enter the questionnaire.'

The completion screen for the questionnaire will be displayed.

Important

Once registered, a questionnaire cannot be completed again.

3. Click "Next."

The "Lecture completed" screen will be displayed.

8 After Completing the Online Lecture

The "Lecture completed" screen will display the procedures to be taken at the Driver's License Center, etc. in the future.

Please read carefully the contents of "❗ Notes after Completing to Take the Lecture" and "Information on recommended visit."

You can check the results of the lecture from the "Lecture completed" screen.

1. Click "Confirm the results of lecture."

The screenshot shows a mobile application interface titled "Online Lecture" with a hamburger menu icon in the top right. Below the title is a dark blue header with the text "Lecture completed." The main content area is divided into two sections. The first section is titled "❗ Notes After Completing to Take the Lecture" and contains the text: "It does not mean that renewal of driver's license is completed by completing this may be judged as 'the lecture not completed'." The second section is titled "Information on recommended Visit" and contains the text: "In order to enable those who have taken this lecture to conduct the renewal procedure quickly, the reception period is" followed by a table. The table has two rows: "For Kumihama Police Box, Tuesdays and Thursdays" and "13 : 00 to 16 : 00". At the bottom of the screen are two buttons: a dark blue button labeled "Confirm the results of lecture" and a white button with a blue border labeled "Go back to home screen". Three callout boxes are present: a green box on the right pointing to the first section header with the text "Notes on renewal procedures for driver's license, etc. will be displayed."; a green box on the right pointing to the second section header with the text "Information on recommended visit, such as peak traffic hours, will be displayed. This will not be displayed if not registered with the designated Public Safety Commission."; and a green box on the right pointing to the "Confirm the results of lecture" button with the text "1 Click here".

Online Lecture

Lecture completed.

❗ Notes After Completing to Take the Lecture

It does not mean that renewal of driver's license is completed by completing this may be judged as "the lecture not completed".

Information on recommended Visit

In order to enable those who have taken this lecture to conduct the renewal procedure quickly, the reception period is

For Kumihama Police Box, Tuesdays and Thursdays	13 : 00 to 16 : 00
---	--------------------

Confirm the results of lecture

Go back to home screen

Notes on renewal procedures for driver's license, etc. will be displayed.

Information on recommended visit, such as peak traffic hours, will be displayed. This will not be displayed if not registered with the designated Public Safety Commission.

1 Click here

The "Results of Lecture" screen will be displayed.

2. Confirm that the content displayed is correct.

The screenshot shows a mobile application interface for 'Online Lecture'. At the top, the title 'Online Lecture' is displayed in blue, with a hamburger menu icon to its right. Below this is a dark blue header with the text 'Results of Lecture' in white. The main content area features a blue laurel wreath icon with a crown in the center. Below the icon, the text reads 'You have completed to take the lecture.' A green-bordered box highlights a summary of the lecture details:

Name	免許 太郎
Public Safety Commission	Tokyo Metropolitan
By Lecture	Renewal lecture for driver's license
Classification of Lecture	Lecture for drivers with satisfactory records

Below this box, the text 'Lecture for drivers with satisfactory records' and a placeholder 'XXXX/XX/XX XX:XX' are visible. A green callout box with the number '1' points to the 'Classification of Lecture' field, containing the text 'Review the content'. At the bottom of the main content area is a large blue button labeled 'Back'. A green callout box points to this button with the text 'Returns to the "Lecture completed" screen.'. At the very bottom, there is a light gray footer with two links: '> Operating manual' and '> Frequently Asked Questions (FAQ)', each with a document icon.

You have now completed the Online Lecture.

Important

Taking the Online Lecture alone does not mean you have completed the renewal of your driver's license, etc. Other renewal procedures (self-check test, photographing, etc.) for the driver's license, etc. must be completed at the Driver's License Center, etc., the same way as before.

1 Troubleshooting

For error screens during operation or anything else you want to know or don't understand, please refer to the following items.

No.	Question	Displayed screen
-----	----------	------------------

1 "Error on Required Qualification for Taking the Lecture" screen is displayed

"Error on Required Qualification for Taking the Lecture" Screen

When the message "Outside the period available for taking the lecture." is displayed

➡ You cannot renew your license yet.

When the message "Not available for taking the lecture as the application is already accepted." is displayed

➡ You cannot take the lecture because the renewal procedures have been completed at the automatic reception machine at the Driver's License Center, etc.

When the message "Not a targeted person for taking the lecture." is displayed

➡ You cannot take the lecture because you are not eligible to take the Online Lecture.

The following causes are possible:

1. The classification of lecture on the driver's license is not a driver with an exemplary record or a driver with a satisfactory record.

→ Please check The classification of lecture on the driver's license renewal notice (renewal notice postcard).

2. You tried to take the online lecture immediately after linking your Myna driver's license to Mynaportal.

→ Please try again after some time has passed since linking.

3. Your driver's license has been suspended.

If a message other than the above is displayed and you are unsure how to respond, please call the Help Desk at 0570-000-679 after writing down the "Inquiry Number" displayed on the screen.

Please note that inquiries at the Help Desk will be supported in Japanese only.

2 Want to change the language of the lecture

All

To change the language in which the Online Lecture screens are displayed, click the menu (≡) in the upper right corner of each screen and select "Language Selection."

You can change the language to either Japanese or English.

*If you change the language during the lecture, information on completed steps will be saved.

If you wish to change the language of the lecture video, Confirmation Test, or Self-check Test for Safe Driving, click the "Selection of contents language" button in the "Language selection for lecture video" screen and select the desired language.

- Lecture Video
- Video for explanation of the Self-check Test for Safe Driving

For the above content, choose from up to 21 languages including Japanese, and sign language.

- Questions and explanations for the Confirmation Test
- Questions of the Self-check Test for Safe Driving

For the above content, choose from up to 21 languages (Japanese and Japanese sign language are the same).

The languages that can be changed using the "Selection of contents language" button are as follows.

Japanese, Japanese (sign language), Chinese, Vietnamese, English, Portuguese, Indonesian, Thai, Nepalese, Tagalog, Khmer, Myanmar, Mongolian, Spanish, Persian, Korean, Russian, Ukrainian, Sinhalese, Urdu, Arabic, Hindi

3 Want to check the following again

- Supported Operating Environment of Device
- Notes
- Terms of use
- Privacy policy
- Explanation on photographing face image
- Operating method

All

Click the menu (≡) in the upper right corner of each screen to browse the items you wish to check.

4 Cannot click "Agree"

"Agreement to Notes" Screen

You will be able to click once you have confirmed three items above "Agree" and placed check marks () on all of them.

5 "Results of confirmation: unsupported" is displayed in "OS/Browser"

"Confirmation of Operation Environment in Terminal" Screen

The Online Lecture does not support the operation environment in terminal.

After you click "Close" to exit the lecture, please prepare an OS and browser compatible with the Online Lecture and start the lecture again.

For more information, see "What You Need for the Online Lecture" on p.6.

6 Cannot click "Next"

"Confirmation of Operation Environment in Terminal" Screen

You will be able to click once you have confirmed the "Camera" and four items in "Others," and placed check marks () on all of them.

7 "Access to Camera" confirmation dialogue is displayed when "Activate Camera" is executed ()

"Operation Confirmation of Camera" Screen

Click the "Allow" button and you will be able to take the Online Lecture.

*This will allow the use of the camera for the lecture.

8 What are renewal procedures outside the place of residence?

"Renewal procedures in a prefecture other than your place of residence" Screen

These are the procedures for renewing a license in a prefecture other than your place of residence.

The screenshot shows a mobile application interface for online lectures. The title is "Online Lecture" with a menu icon. The main heading is "Renewal procedures in a prefecture other than your place of residence". Below this is a "Notes" section with a red exclamation mark icon and the text "You may also perform the renewal". The main content area is titled "Selection of Public Safety Commission" with a red "Required" tag. It lists "Public Safety Commission with jurisdiction over one's domicile" with "Tokyo Metropolitan" as an example. Below this is a section for "Public Safety Commission for Renewal Procedures" with a dropdown menu currently showing "Shizuoka Prefecture". Another dropdown menu is labeled "Lecture Video to Be Viewed" and also shows "Shizuoka Prefecture". At the bottom are two buttons: "Register" (blue) and "Back" (white with blue border). Four green callout boxes with numbers 1-4 point to specific elements: 1 points to the "Notes" section, 2 points to the "Public Safety Commission" selection area, 3 points to the "Lecture Video to Be Viewed" dropdown, and 4 points to the "Register" button.

- 1 Check the notes and messages
- 2 Select the Public Safety Commission where you would like to complete the renewal procedures
- 3 Select the Public Safety Commission to view the lecture video
- 4 Click here

*The lecture video to be viewed can be selected from either "the lecture video of the Public Safety Commission at your place of residence" or "the lecture video of the Public Safety Commission where you are performing renewal procedures." After you have started viewing, you cannot change or review the lecture video.

Important

Renewal procedures on this screen will not complete the renewal of your driver's license, etc. Please go to the Driver's License Center, etc. of the Public Safety Commission where you will complete the renewal procedures.

9 What are materials distributed?

"Procedures for Taking Lecture" Screen

These materials (data) will be used as a reference for taking the Online Lecture. Viewing these materials is optional.

10 Want to see the Operating manual and Frequently Asked Questions (FAQ)

All

Click "Operating manual" or "Frequently Asked Questions (FAQ)" at the bottom of each screen.

11 「システムメンテナンス ("System Maintenance")」 Screen is displayed

"System Maintenance" Screen

The system is under maintenance. Please try again outside the indicated maintenance period.

12 "Operation of Public Safety Commission of lecture video is currently being suspended." is displayed

17 On MacOS, when stopping a video that is on full-screen, another button is displayed above the Minimize button

All video viewing screens

If the standard MacOS Live Text function is enabled, the Live Text button will overlap with the Minimize button when the video that is on full-screen is stopped.

When the video is played, the Live Text function is deactivated.

You can also turn off the "Live Text" button by going to the "Apple Menu" and selecting "System Settings" > "General" > "Language and Region" > turning the "Live Text" option off.

*Operation may differ depending on the OS version.

18 The camera image is no longer visible

"Viewing the lecture video" screen

"Self-check Test for Safe Driving" screen

Return to the home screen and try again from "Start to taking the lecture."

If you resume the lecture and press the play button on the video, it will play from where you left off.

If the problem persists, restart your browser and try the lecture again.
