1. Motivation for applying to the International Human Resource Development Project “Assembling peace through dialogue” (approx. 400–800 letters)

2. Past activities or research achievements in the fields of peace, disarmament and non-proliferation, security, or other global issues (approx. 400–800 letters)

3.Preferred Working Group

In this project, participants will be divided into two working groups for discussion:
(1) The role of Nagasaki and Hiroshima as places that experienced atomic bombings
(2) Approaches to security that do not rely on nuclear deterrence

Please enter the number of the working group you wish to join below.
